# FOREWORD

WE are, for the most part, sons and daughters of industrialists. Between the school and the factories there is a firm bond. The efforts of some of the community's leading citizens, who were also leaders in the industries, have made many of our excellent educational facilities possible. To show our recognition and appreciation of this fact, we, the senior class, have adopted the industries of the Tri-cities as the art motif of the Ell Ess Pe. The school is an investment of the business men. It is our hope that this annual may, in a small way, be a dividend on this investment.

### Gens High Scorer

Winning the first and last of their six conference games placed the La Salle-Peru heavyweight football team in sixth place in the Big Seven conference. The Cavaliers won one of three games played outside the conference, making the season's victories three out of nine starts.

Approximately four thousand ardent football fans crowded into the new stadium to see the fifteenth annual clash between La Salle-Peru and St. Bede's academy. Hard luck and over-anxiousness dogged the Cavaliers in the first three periods, and the Bruins were able to pile up 13 points. In the final quarter the Nowackmen came back to put over one touchdown, leaving the score 13 to 6.

The Cavaliers, playing before an enormous crowd of homecomers assembled for the dedication, trampled the Joliet team, their first conference opponents, under a score of 26 to 12. Gens scored 13 of the points; Zevnik and Ulanowski both went over for touchdowns.

La Salle-Peru was defeated by a 10-to-0 score, handed them by Freeport. A field goal was the first score made in the second quarter, and the touchdown and extra point came in the last quarter.

The Cavaliers, playing against a vastly superior Rockford eleven, showed beyond everyone's expectations that they were a fighting squad. With the Rab leading by 20 points in the opening minutes of the last half, the Cavaliers brought out an unexpected reserve of

power, and behind an effective aerial barrage, were able to bring the score to 27 to 19.

The Nowackmen, several changes having been made in the lineup, lost the next game to Elgin by a 13-to-7 score. The Cavaliers marched from the mid-field marker during the fourth period with Gens going over for the touchdown and Ulanowski receiving the pass for extra point.

The Cavaliers lost to a powerful East Aurora squad by a 15-to-6 score, Zevnik scoring the lone touchdown for La Salle-Peru. Excitement reigned in this game for Warren and Gens, tied for high scoring honors, were battling each other's prowess. Warren outdistanced Gens because of the points compiled during this game.

The Cavaliers defeated the West Aurora team, which was tied for first place, by a score of 13 to 7. The win was credited to the superb goal line defenses which the team made with Renis starring.

The Nowackmen defeated Ottawa, the champs of the Little Vermillion conference, by a 20-to-0 score. Zevnik, Krystofek, Ulanowski, and Flannery were the outstanding players of the game.

In the final game against the Hall Red Devils the Cavaliers were on the low end of a 7-to-0 game. The Nowackmen overpowered the Valley team on line plays, but some very nicely executed "razzle-dazzle" left La Salle-Peru in the hole.

"Bobby" Gens won laurels of All-Conference membership. He also placed second on the high scoring list.

La Salle-Peru, in sixth place in the conference, tallied 71 points to 70 points scored by Rockford, the conference champs. The opponents of La Salle-Peru scored only 48 points against the Cavaliers, while 53 points were scored against them.

## Incas Gridders Win Conference Championship

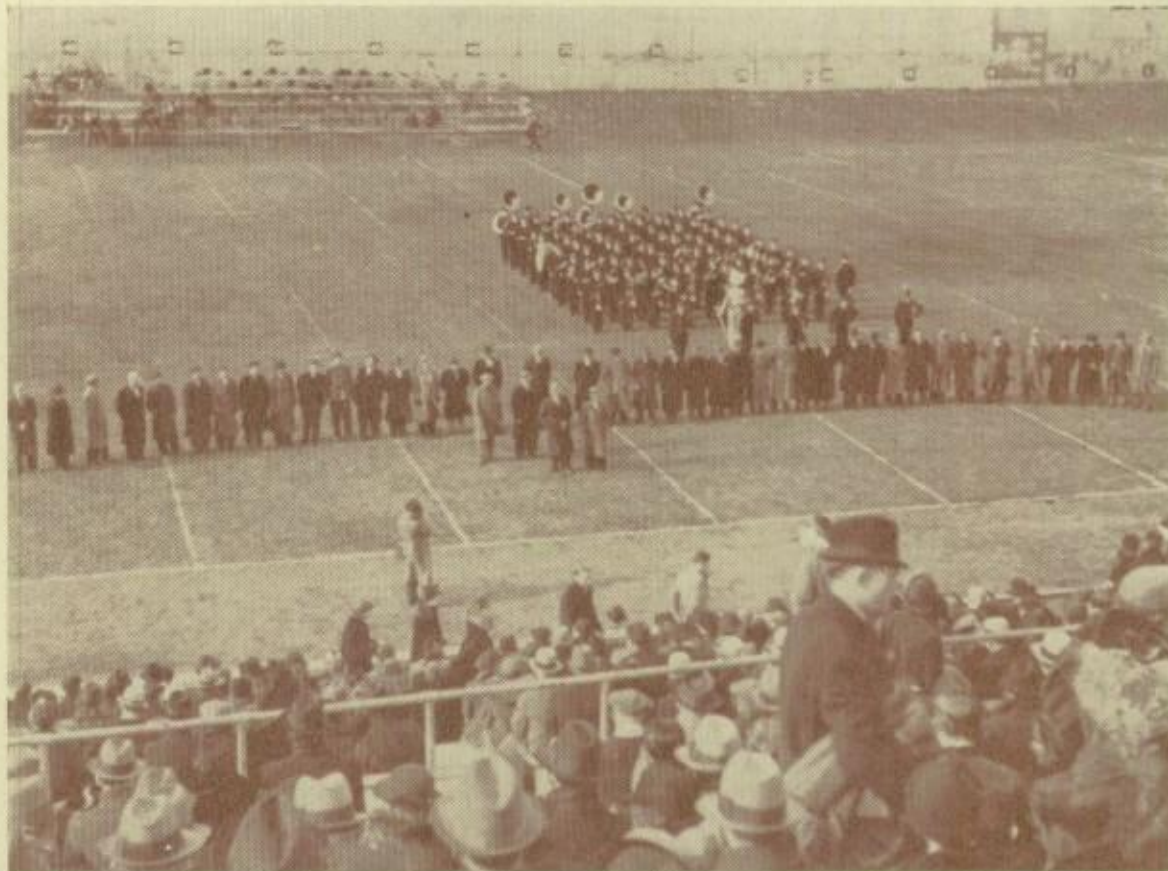

### 7 in All-Conference

The La Salle-Peru Lightweight football team made a record during the 1938 season that will go down in the history of the school. Showing enthusiasm and zeal as never before, they placed first in the Big Seven conference, winning five and tying the other of the six conference games.

The Incas began their season at Joliet with a near defeat. The Steelmen outplayed the La Salle-Peru Ponies during the first half, with Mackuk, Joliet's big threat, intercepting many of the Incas's passes and usually tearing off 10 or 20 yards when he had the ball. The Joliet lights scored just before the close of the half on a short pass over the goal line. The Incas's defense stiffened during the second half, and the ball remained near the mid-field marker until the Incas began their scoring march in the third quarter. Passes from Gorishek to Hancock netted about forty yards; Bacidore's pass to Gorishek placed the ball on the eight-yard stripe. Four attempts by Hancock and Gorishek pushed the ball over for the score. Lent's thrilling catch of Gorishek's pass provided the winning point.

The two touchdowns which the Incas had in their tie game with Freeport came about as a result of two long passes from Gorishek, the first going to Lunn, and the second to Smania. Lunn and Hancock made the touchdowns. In the

third period the Tylermen were again in scoring position, but one of Gorishek's passes was intercepted and gave Freeport the tying score, 12 to 12.

The Incas upset Rockford, the defending champs, by a 7-to-0 score on a spectacular "razzle dazzle" play which came in the third quarter after both teams had hammered each other unmercifully. A pass from Meisenbach to Bacidore off a triple lateral, which confounded the "Rabs," brought the ball to the eight-yard line from which point plunges by Hancock and Gorishek put the ball over for the touchdown and extra point.

The Incas after a weak start which, except for Bacidore's interception, would have meant a score for the Elginites, came back in the third period to take the game by a 6-to-0 score. The touchdown came from a running lateral play which left the Elgin team flat-footed.

La Salle-Peru far outclassed the East Aurora Ponies and won by a score of 19 to 0. Gorishek's hard running brought the ball in scoring position twice with Hancock driving over for 13 points. Gaede, because of his wide-awake defensive play, was able to intercept a pass and race 58 yards for the other six points.

The Tylermen clinched the conference title by defeating West Aurora, 6 to 0. The Incas kept the ball well in the opponent's territory but were not quite able to push past the West Aurora defense. In the third period the Incas were able, by a pass from Gorishek to Donovan, to make the lone score.

Three La Salle-Peru Pony gridders made the first Big Seven conference squad. They were: Lent, end; Panzica, guard; and Hancock, fullback. Shields, tackle; Wroblewski, guard; Gaede, center; and Gorishek, tailback, placed on the Conference second string team.

## Heavyweight Cagers Win Fifth Place

### Ulanowski, Strell Star

The heavyweight basketball squad won seven and lost nine. In the first round of conference games the Cavaliers failed to win, but, with Gaede's improvement and Ulanowski and Strell continuing to star, the team was able to win four of the last six conference tilts. They also won three games played outside the conference: Hall, Ottawa, and St. Bede.

The opening game against Hall was encouraging with the Cavaliers taking the game by a 46 to 14 score. Coach Tyler used his lettermen: Zevnik, Strell, Ulanowski, and Gaede.

With Strell's outstanding playing leading the way, the Cavaliers went ahead to defeat St. Bede by a 23-to-17 score.

The Cavaliers lost their first conference game to Joliet, defending state and conference champions, by a one-point margin, the score being 15 to 14. La Salle-Peru led by Ulanowski and Strell, humbled Ottawa 24 to 18.

A classy Rockford quintet, one of the best ever to represent that school, rolled over La Salle-Peru with a 45-to-18 score. However inglorious the defeat, the L-P men fought to the last.

East Aurora put L-P in the basement of the Big Seven conference ratings by defeating them 20 to 18.

In the game against West Aurora, the La Salle-Peru squad was leading by a 35-to-24 score; the game seemingly "on ice." In the last one and a half minutes of play Bob Peterson tallied nine points, which, with a basket by one of his teammates, won the game for West Aurora, 37 to 35.

The next two games, because Ulanowski was out on injuries, were lost by rather wide margins. The Elgin five defeated L-P by a 34-to-21 score, and Freeport took its game 28 to 22.

Because of L-P's constant improvement, Joliet bowed to the L-P players, 44 to 22 in the first game in the second round. Ulanowski, aided by Strell and Gaede, summed up 32 points.

The Rockford Rabs again proved strong foes as La Salle-Peru was defeated for the second time, 43 to 27. St. Bede turned the tables in the second game and won a thriller, 23 to 22.

After a few days hard work, the La Salle-Peru Cavaliers, by defeating East Aurora, 36 to 21, came up in the conference standings. Gaede made 15 points. West Aurora lost to the Red and Green, 32 to 26.

The first half of the game with Elgin was close and hard fought with the score tied at the half. Ulanowski and Meisenbach went out early in the second half and the Elginites sprang ahead to win 35 to 27.

La Salle-Peru edged out a win over Freeport by a 32-to-29 score. This gave La Salle-Peru their fourth conference win and fifth place in the conference.

In the Regional tournament, Plainfield lost to L-P, 50 to 20. La Salle-Peru ended its basketball season by losing to its next tournament foe, Earlville, in the last minutes of an overtime game, 24 to 22.

## Incas Tie for Fourth With Freeport Five

### Balachowski Stars

The La Salle-Peru lightweight basketball team tied for fourth place in the Big Seven conference ratings, by winning 4 out of 12 conference games. In the non-conference games, La Salle-Peru beat Ottawa and exchanged a two-game series with St. Bede.

In the first game against St. Bede, the Incas had the game to themselves throughout, but almost lost it in the end. However, they were able to win by a score of 29 to 26. In their first conference game, the Incas found the foe, Joliet, to be powerful. As a result, La Salle-Peru was forced to bow to the stronger by a score of 24 to 40.

In the second non-conference game, against Ottawa, after putting up a hectic fight in which Balachowski scored 14 points, the Incas won 24 to 13. Despite the fact that they were led by Balachowski, who scored 15 points, the lightweight team lost a close decision to the Rockford lights, 33 to 30.

Undiscouraged by their previous two losses, the Incas won their first conference game against East Aurora, 28 to 26. This time Balachowski led a victorious team, scoring up 15 points, thus aiding in winning the game.

the league, upheld its post as it defeated the L-P Incas, 26 to 23. With Chioni leading, the lightweights tried hard to stop the powerful Freeport five, who won 37 to 21.

La Salle-Peru lost their fourth conference game to West Aurora. Even though Balachowski and Chioni played a wonderful game, West Aurora chalked up 24 points to La Salle-Peru's 22 points. Joliet made it a two-game win as they defeated the Incas, 39 to 28. In the closing minutes of an overtime of a thrilling battle with Rockford, with the game becoming almost a gridiron classic, the Incas defeated the Rabs by a 32-to-31 score. Balachowski scored 18 points.

In the second non-conference game with St. Bede the Incas had a good start, but, becoming careless, were defeated by a 29-to-28 score. Balachowski again rated high, scoring 19 points.

Chioni again made a good leader, as he showed the Incas the way to victory against East Aurora, 29 to 25. Of the 29 points, Chioni made eleven.

Balachowski made headlines by scoring 13 points, in the game against West Aurora. Despite this fact, the La Salle-Peru team was defeated 27 to 19. Balachowski gained for himself the name of "Hot Shot" and set a new school record in making points when he scored 27 points against Elgin, even though Elgin won 48 to 42. The previous record of 26 points was made by "Mouse" Coulter in '36. Although Balachowski clinched the Big Seven scoring championship by making ten points, La Salle-Peru lost to Freeport 19 to 18. Balachowski scored 148 points in conference games.

## L-P Relayers Strong; Dash Men Lacking

### Hornecker Sets Record

In their first meet of the season the Cavaliers showed their ability by winning three events and placing third in the Peoria Relays. Hornecker broke the school record in the High Jump, going 5 ft. 9 1/4 in., while Wujek won the mile with ease. The two-mile team brought home the L-P trophy in this meet by winning in 9:09.8. This included Wujek, Panzica, Kelly, and Schoening.

The loss of the third dual meet, since Coach Fellows has had charge of track, came about as result of weakness in the sprints and hurdles. A strong Sterling squad took the meet 73 to 49. Wujek won the mile; Hornecker set a new field and school record of 5 ft. 11 1/8 in. in the high jump; Renis won the pole vault; Ulanowski, the shot-put and discus; Strell, the javelin.

The La Salle-Peru squad placed fourth in the Pontiac relays with 47 points. Hornecker's first in the high jump and fifth in the shot-put netted 6 points; Renis 3 1/2 points as he tied for second in the pole vault; Strell gained 2 points in the javelin, in which event he qualified but did not throw in the finals in order to save his arm; Ebener made 1/2 point for fourth place where he tied in the high jump. In the 440 relay L-P took third. Three seconds were made in the mile, Medley, and 2-mile relays, while fifth place in the high hurdle relay went to L-P.

La Salle-Peru's 23 1/2 points gained them fifth in the Bradford relays, one of the strongest in the state. Hornecker for the fourth time was victor in the high

La Salle-Peru came home with their second trophy as they won the special events trophy at the Urbana relays beating Maine high, its closest competitor, by 1  $\frac{1}{2}$  points. With 18 points in the special events, and 10 points in relays, L-P took fifth in the meet with 28 points. Hornecker, Renis, and Wujek won the high jump, pole vault, and half mile, respectively; Meisenbach won third in the high hurdles. L-P took second place in the distance Medley and fifth in the Medley relay.

Ottawa, which has never won a dual meet from L-P, was no luckier this season than in any other, for they lost 93  $\frac{1}{3}$  to 23  $\frac{2}{3}$ . L-P won first in every event and starred in the mile, half-mile and shot-put.

The freshman and sophomores won on the same night from Ottawa, 74 to 43, with Walter Kelber winning four and Zarnicki three firsts.

In the district meet L-P came up with flying colors, winning 61 points. Ottawa was second with 28  $\frac{3}{5}$ . Hornecker as usual won the high jump, defeating Zacco of Geneva, who had previously made 6 ft. 3 in. Gens won the 100-yard dash and placed second in the 220-yard dash; Meisenbach took first in the high hurdles and second in the low hurdles; Ulanowski won the shot-put and second in discus; Wujek won the mile; and Strell took second in the javelin.

The team piled up the highest score ever made in a district meet. Therefore, points are expected from Ulanowski, Strell, Gens, Meisenbach, Wujek, and Hornecker in the State meet. Sprinters and hurdlers, in which events the team was weak in early season have shown constant improvement and as a result, L-P will go into the Big Seven Conference track meet with one of the strongest teams in the history of the school.

## Bittner Gets Golf Honors

When the District golf meet was held at South Bluff Country club, Bittner, L-P star, tied for low score with Chapman of Rochelle with a score of 80. The Rochelle team won team honors with 342; La Salle-Peru was second with 343; and Ottawa, third with 348. Other schools competing were Lacon, Mendota, Princeton, and De Kalb.

Scores of other L-P members were: Visniker, 84; Porter 87; Aubel, 92.

Of the L-P squad only Bittner went to the state meet held at Bloomington. He scored a 50 on the first round, following up with a 43 for a total of 93, which put him out of the running. Since he is only a freshman, John may be expected to go far in the state finals before he is out of school.

## Tennis Squad Inexperienced

With Joe Koss and Gordon Rothwell lost to this year's Tennis team through graduation, Coach Hoenscheid was faced with the prospects of building a team of green material, which was plentiful but woefully inexperienced.

In the District meet at Princeton, Lent lost, 6-1, 6-4; Gurrad was defeated 6-0, 6-2; and the McBride-Goering doubles team was eliminated, 6-0, 6-0, all in the first round. The doubles team of Dee and Doan drew a bye in the first round and lost 6-1, 6-2 in the second.

Included in the meets scheduled for the remainder of the season are two dual meets with Princeton, and the Big Seven tournament to be held at West Aurora.

## L-P Tankers Win Three, Tie One of Eight

### Koppen Lowers Time

Coach Herbert Valett's L-P tankers, led by Captain Koppen, splashed their way to a fairly successful season, winning three meets, losing four, and tying one. Koppen was outstanding during the season, as he won his event, the 100-yard backstroke, in every meet. He scored third place and three points in the Annual Illinois State Swimming meet held at the New Trier Township High school at Winnetka.

Koppen set a new record in the 100-yard backstroke as the L-P swimmers lost to Peoria Central by a score of  $43\frac{1}{2}$  to  $30\frac{1}{2}$ . Weber won fancy diving for L-P.

L-P, scoring first in all but two events, won the first dual meet victory of the season at Freeport. The score was 54 to 21.

Rockford High school's powerful swim squad defeated the La Salle-Peru splashers by a 52-to-23 score; Koppen and Mercer scored the only L-P firsts.

Although L-P won the backstroke and the Medley relay, Peoria Central defeated L-P by a score of 51 to 24. Jordan pushed Koppen to a new record; the time was 1:07.1. Koppen again won his specialty when La Salle-Peru was defeated the second time by Rockford. The score was 54 to 21.

In the second meet Freeport was again defeated by the score of 48 to 27. L-P won first place in all but two events; Koppen starred, lowering his record two seconds to 1:06.9.

Koppen clipped another five tenths of a second off of this record as he led the Cavaliers to a 38-to-28 victory over Streator in the final meet of the season.

# Cheerleaders Lend Vividness, Life to Games

Smooth, exuberant, and precise, the La Salle-Peru cheering squad was the picture of pep and personality as it drew from the crowds enthusiastic cheers for the football and basketball games.

Our cheerleaders were inspirations for many a long and lusty yell. Wearing red satin jodphurs, red jerseys with Cavalier insignia, red slippers, red satin jockey caps and carrying red megaphones, they personified the gracious and colorful spirit of the Cavaliers.

For the first time in the history of the school, the squad became an organized unit.

Four of the eight cheerleaders received awards. They were: Mary Gamache, captain; Mary Sampo, Sally McDiarmid, and Mary Jane Hughes. Others who made up the squad included: Helen Lorencki, George Bennett, Bertha Fouth, and Velma Jergenson.

## Recreational—

The purpose of these recreational activities is to open up several fields from which students may select one or more, according to their interests and abilities, and further develop neuromuscular skills, desirable attitudes toward play, and a better standard of behavior.

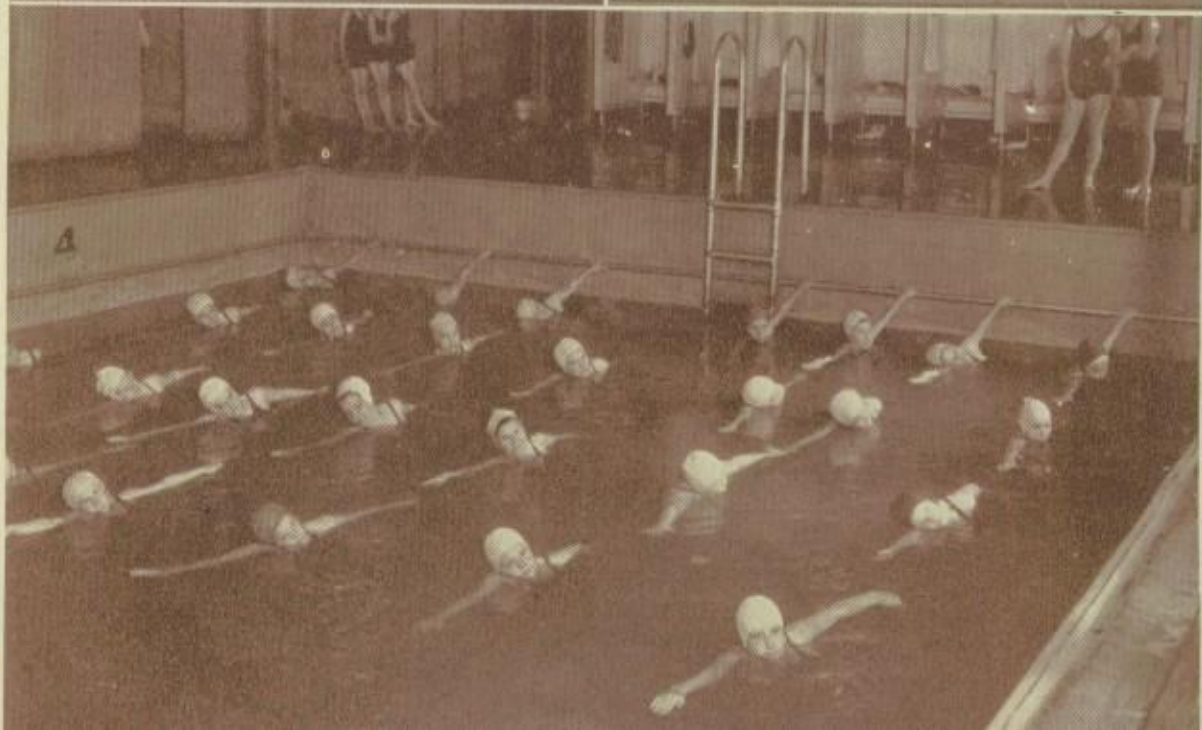

Recently the team type of game and contests has given way to such little-known sports as badminton and deck tennis. The recreational program in La Salle-Peru includes such sports as volleyball, deck tennis, badminton and swimming.

In volley ball fifteen players on each side try to bat the ball over the net and make it hit the floor, and at the same time keep it from hitting the floor on their own side.

Deck tennis is played with a rubber quoit and a net. The object of the game is to toss the ring across the net, from one player to another, until one player fails to return it, or the quoit is played out of bounds.

Badminton is played with rackets, a net, and a white object called a birdie. The birdie consists of a small white shuttlecock with a garland of white feathers secured about the middle to prevent it from moving too quickly.

## Rhythm—

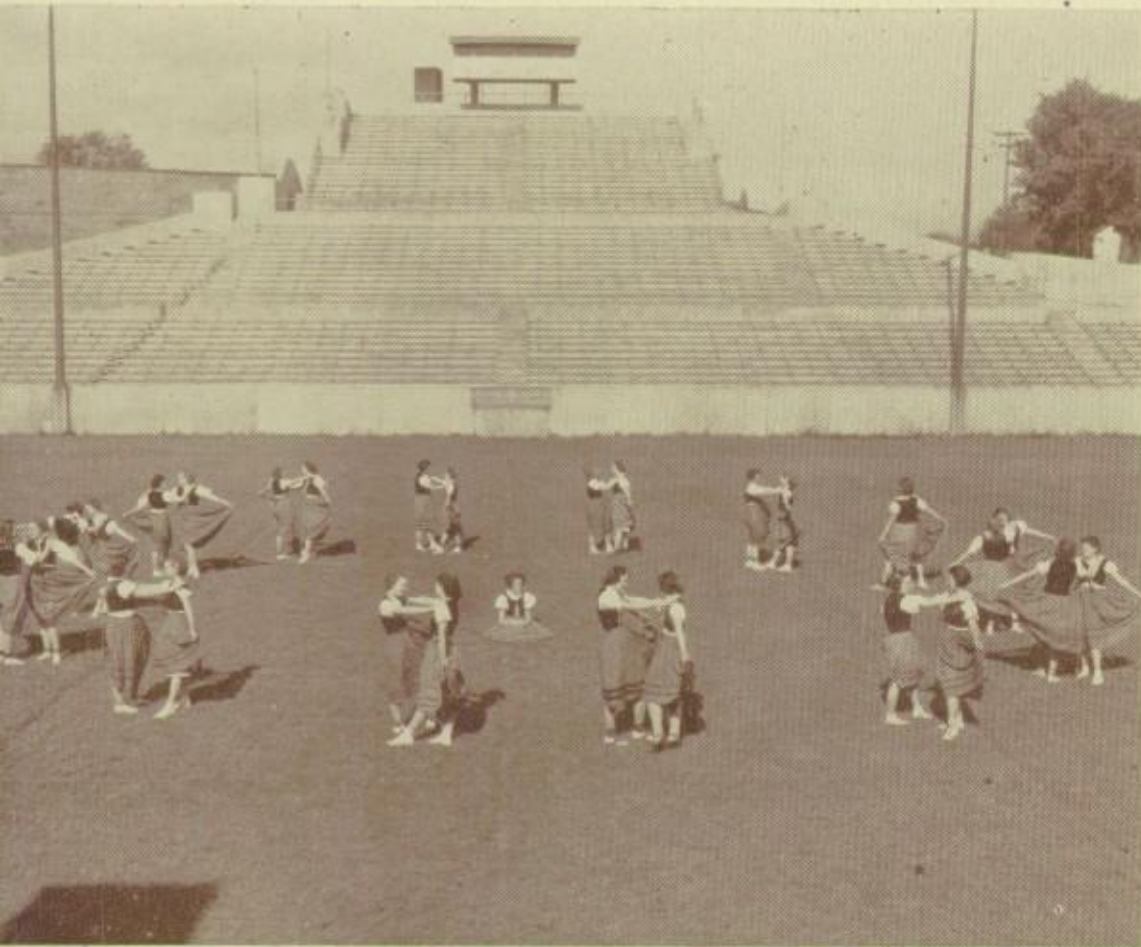

National dancing shows the appreciation and love for beauty and rhythm of those participating. At La Salle-Peru the girls are offered a course in which they can learn the dances of the nation from which they have descended. Dances are studied with respect to their national characteristics and danced in the authentic national costume. Thirteen countries are represented in this national dancing class.

The general objective of tap dancing is to learn a form of dancing that will give both a rhythmical and physical satisfaction, and an opportunity for free expression and enjoyment. Many of the girls have availed themselves of the privileges of learning dancing in the classes in school.

Social dancing teaches through experience the various dances of today and tends to give the dancers more confidence at public gatherings. Boys, as well as girls, have availed themselves of the privilege of learning in the after-school dancing hours.

Character dancing is another form of tap dancing, and, perhaps, "Old Dobbin" is the favorite character of both dancers and on-lookers. "Dobbin" is impersonated by two dancers, who are covered by a cloth body and head made to resemble a horse's body.

+

## Self-Appraisal Activities—

The general objective of mimetic exercises is to supply activity, which was previously supplied by formal and devised gymnastics, without tenseness or unnatural joint positions. Thus a natural appeal, commonly lacking in regular gymnastics, is present.

Stunts are done to acquire skill and ability, which may be useful for other activities, to increase self-assurance and courage in the face of physical danger, and to learn to control the muscles of the body.

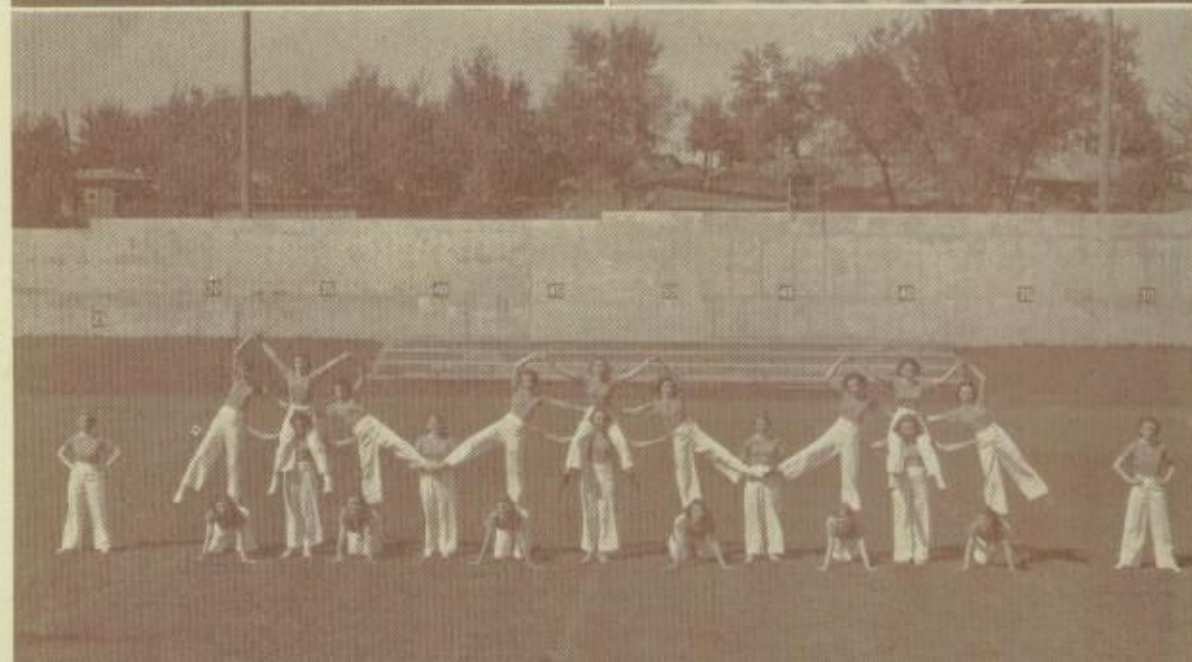

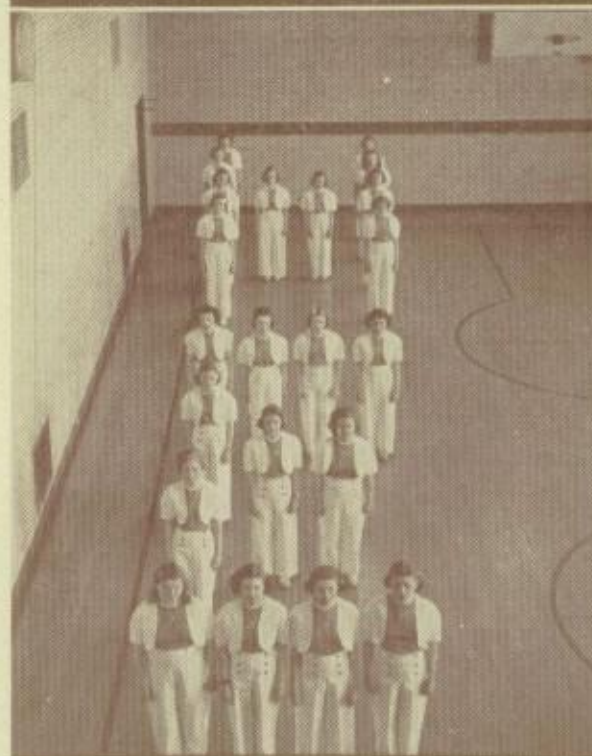

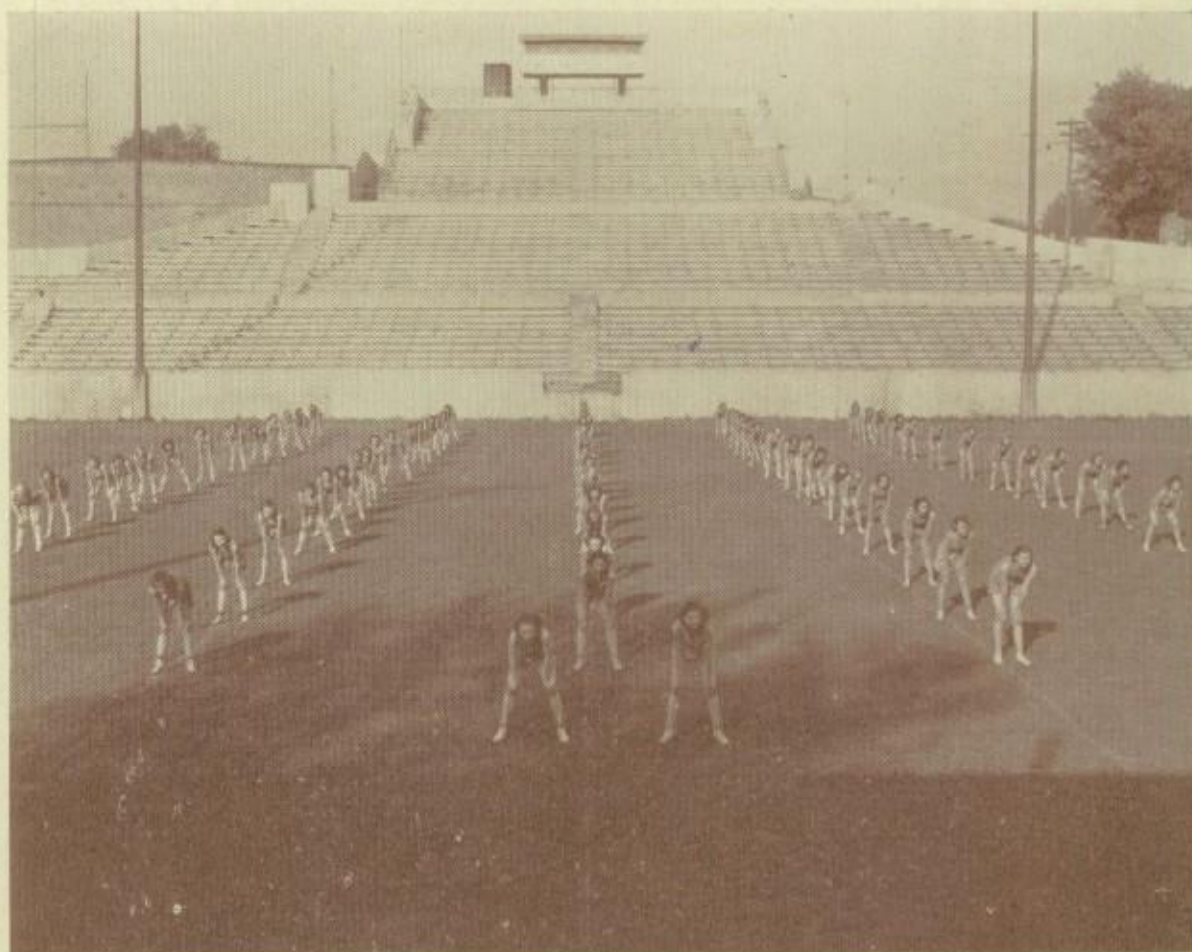

Drill formation teaches precision and also teaches students to follow and keep in time with a large group. It is a very good exercise for obeying orders with military exactness.

Pyramids are very useful in developing self-confidence and courage, muscular control and coordination as a means of self-preservation, and in furthering a posture of readiness.

All of these activities are now available to the girls of La Salle-Peru, who thus have the opportunity to strive towards accomplishing the various objectives of these activities and to create a better coordination between their mental and physical faculties.

Many girls are now learning to conquer their fears in regard to the various activities merely by learning to do the stunts and exercises correctly.

## G. A. A.—

The girls of the La Salle-Peru Township High school, since 1933, have through the Girls' Athletic association enjoyed the pleasant companionship afforded by it. Through this organization the girls have had many new sports offered to them.

Four awards are earned through participation in organized activities, other than class requirements, through participation in individual activities of a leisure time, nature, and by keeping health rules.

The first two awards are local: a red and green numeral, of the year graduating and a red and green L-P. Two are state awards including a blue I and a blue chenille map of Illinois.

Swimming is offered not only as a part of the health education program but as an after-school hour sport as well. Two afternoons a week are set aside for groups of swimmers.

The girls have access to the tennis courts and many of them take advantage of the free period to improve their game.

On sunny days the girls take their equipment for baseball outdoors and play on their portion of the athletic field where they practice the correct method of catching, throwing, pitching, batting and baserunning.

Volley ball is also a part of the sports program offered after school.

+

## G. A. A.—

Basketball, favorite sport of the girls, teaches them accuracy in throwing baskets and in passing. Boys' rules, which are too strenuous for the average girl, are barred. The three-zone system is used.

When winter clears away, and warm weather brings the urge to be out on the open road and in the fresh country air, many of the members put on their hiking shoes and get acquainted with Mother Nature. The girls also take their lunches and appetites.

The La Salle-Peru G. A. A. invited ten surrounding schools to their fall Play day. King football descended from his throne to join the girls in a day of sport and furnished the motif. Dodge ball was dubbed "tackle"; swimming, "extra point"; lunch, "lettermen's banquet"; and dancing, "gridiron shuffle."

In the spring eight active G. A. A. girls from L-P attended the Mendota Play day; Indians was the theme which they carried out in their program.

The crowning event of each year of the organization is, without a doubt, the banquet each spring when the members receive their awards. Last year, a Mother-Daughter banquet was given in May with May Day decorations—May poles and crepe paper in pastel colors.

# Band's Gridiron Maneuvers Are Highly Praised

## Win District Contest

The La Salle-Peru Township High School Band paraded in their new uniforms of blue and gold for the first time this year. The Band members obtained their uniforms as a result of two years of financial drives by the Kiwanis club and other organizations. The uniforms are very attractive with a modern military appearance tempered by a conservative blue, and trimmed, not excessively, in gold braid and buttons.

During all the home football games and one of the out-of-town games, while our players were defending the athletic honor of the school, the band was present to play; between halves they executed many complicated and pleasing maneuvers. The use of green and red lights at night games made an exceedingly beautiful display, as did the releasing of red and green balloons at the Thanksgiving day game.

The winning of a Class "A" first division rating in the Northwest District contest revealed the musicianship of the band. The talent of individual band members was also made known when many of them captured first division in solo and ensemble contest.

Arlene Kiefel, alto clarinet player, who won first division honors at the state finals, was awarded second division honors at the National Contest held in Elkhart, Indiana.

Under the direction of Lee W. Petersen, the band presented two concerts during the year, one with the beginning of the first semester in the high-school stadium, and one toward the middle of the second semester in the auditorium. The high quality music produced pleased the audience.

## Orchestra First Place In District

### Recommended to State

The La Salle-Peru Township High School Orchestra, conducted by Lee W. Petersen, made its debut in the annual orchestra concert which was presented in the Matthiessen Memorial auditorium on April 22. Professor J. W. Restorff, nationally famous flute soloist, was the guest conductor, leading the orchestra in three selections.

The program was concluded by a violin duet, a woodwind trio, a marimba solo, and a fantasy, "In a Clock Store," by Charles Orth.

The next day, April 23, the orchestra, consisting of 75 members, entered the District contest at DeKalb as a Class D orchestra. Showing artistic manner in presenting their numbers, "Connecticut March," and "Poet and Peasant Overture," the orchestra won first place in Class D. Because no other orchestra proved competition for the local organization, the judges moved the L-P orchestra up to Class A and gave it first class ratings which recommended it to the State.

Other contest features were three violin solos by Kenneth Coughlin and Avio Zuccarini, who attained second division, and James Confrey, who received third division ratings.

William Greening played a cello solo and attained first division rating and eligibility for entering the state contest. On Saturday, May 7, he gained third division rating in the state contest. Another solo was played at the district contest by the celloist, Marjorie Lent, who received third division rating.

# 'Skidding' Bids Fair to Remain In Public Mind

Paul Beaman.....Andy Hardy

Love and politics can mix if handled right, as proved by the Hardy family in the Junior play, "Skidding," presented by the Junior class of the La Salle-Peru Township High School in the Matthiessen Memorial auditorium.

Judge for 20 years in a small Idaho town, Andrew Hardy finds himself with a fight on his hands for the coming election.

Right in the thick of things he has three daughters precipitated on him: Marion, home from college; Estelle and Myra, home from their husbands. Then, after thirty years of marriage Mrs. Hardy leaves to "go home to her mother." Kid brother Andy is immersed in his first love affair and shares his troubles with his sister Marion, who has cares of her own with a certain Wayne Trenton III.

A good bit of scene-stealing was done by young Andy, played by Paul Beaman. As Marion, Barbara Lange made as talented and pretty a heroine as one could wish. Her fiancée, Wayne Trenton III, portrayed by Fred Lent made a handsome, likeable young engineer.

As Mr. and Mrs. Hardy, Louis Veal and Dorothy Hetherington turned in good performances. The same may be said for their two daughters, Myra and Estelle, played by May Weisheit and June Sutter. As Grandpa, Larry Schaeffer was really enjoyable, and Claire Steinberg capably played the Hardy's maiden aunt.

As light and gay and young as spring itself was "Spring Dance" by Philip Barrie, presented by the senior class in the Matthiessen auditorium on May 13.

When a bunch of man-wise coeds set out to get their man no power on earth can stop them. Kate, Mady, Frances, and Sally are a combination that Sam Thatcher found hard to beat. Although deeply in love with Alex, Sam felt that there was no place in his life for her. Her roommates thought differently. Things happened fast and furiously, including an arrest, jail, and an elopement.

Collegiate to the core, the Princeton and Yale men wise-cracked their way through the story. "These college boys—who can resist them?" was the comment.

Billie Marie Weisheit as Alex Benson, attractive heroine in the play, turned in a good performance. Lela Strout as Kate McKim, her roommate, filled her role with ease and composure that had not been anticipated. As Lippincott, Edwin Humphrey gave an amusing portrayal.

Never have three girls, so unlike in type, as comedian Mady Platt, played by Mildred Brate; dramatic and dashing Sally Prescott, played by Louise Chioni; and pretty but dumb Frances Fenn, played by Mary Jean Halpin set out to get a man.

"Hat," played by Lester Mauritzen, did his part in getting the laughs. His "truck-in" was a sight to behold.

The roles of the housemother and the maid were ably handled by Betty Aplington and Margaret O'Bid, respectively.

# Choruses

## Choruses Win Contests, Stage Operas

To do what has been done before is commendable, but to accomplish a thing first and to set a goal for all to follow deserves special recognition and distinction. The choral groups of L-P, under the direction of Donald E. Sellew, went out and "brought home the bacon."

The Mixed Choruses participated in the State Contest and reached the state finals.

The Girls' Ensemble consisting of: Arlene Dwornik, Dorothea Hess, Charlotte Hanley, Mary Schmitz (sopranos), June Sutter, Sally McDiarmid, Kathleen Olsen, Nina Arbuckle, Bernadette Zandecki (altos), took first place in the sub-district, district, and final contests. They were chosen as the outstanding girls' ensemble in the state of Illinois and sang over radio station WJBC. Mary Wacker accompanied them at the piano.

Six members of the choral groups, William Ball, Janice Currie, Othmar Kemper, Arlene Dwornik, and Kathleen Olsen, sang in the All-state chorus at the University of Illinois.

Choristers participated individually in the contests with gratifying results. George Bieneman, bass, placed first in the sub-district and district contests, and second in the finals.

Arlene Dwornik, soprano, took first place in the sub-district and second in the district contest.

Kathleen Olson, mezzo-soprano, and Darlene Spurr, alto, took second place in their respective groups at the sub-district contest.

"Windmills of Holland" was presented by the Girls' Glee club and the Freshmen Girls' chorus before the high-school assembly.

The nautical opera, "H. M. S. Pinafore," was presented in a public performance by the combined choruses of the high school and junior college.

## Service Squad Members Keep School Orderly

### Picnic Held Annually

Organized in 1928 by John W. Graham, the Service Squad plans to be of service to any individual in the school, to guide visitors, collect absence slips, keep the halls clear of students and help any teacher in any way possible.

These students who are chosen by Mr. Graham, adviser, are placed at various stations throughout the buildings.

A captain is chosen, generally from the upperclassmen, to take charge of his squad for each period, and thereby automatically becomes a member of the Student Council.

Each spring the members of the Service Squad are invited by the Student Council to a picnic held at Starved Rock.

Students wishing to serve on the Service Squad may sign for it at the time they classify, and if possible they will be assigned by the class adviser.

# Student Council Mathematics Club

## Council Plans Many Activities

Aside from taking an active part in the school government the Student Council has been kept busy planning various activities for the school year through its four committees: athletic, scholarship, citizenship, and entertainment.

Outstanding in the year's activities was the general assembly planned by the Council. Four students, representing Big 7 schools, participated in a panel discussion, "Personality and its Developments."

Five Council members attended the state convention in April and several members visited Maine Township and Crane Technical High schools in Chicago. An all-school dance sponsored by the Council was held in December. A picnic to which the school Service Squad was invited took place this spring.

The officers of the Council are: Martin Christopher, president; Bernard Doyle, vice president; Dick Sharpe, secretary; and Janice Currie, assistant secretary.

## Membership of Club Increased

Organized in 1936, the Mathematics club has steadily increased the interest of students in mathematics (shown by the increased membership) for which purpose the club was organized.

The monthly meetings of the club are occupied by giving historical and interesting facts concerning mathematics. Each student participates in the discussions.

Mrs. Carus spoke at one meeting on the relationship between astronomy and mathematics.

The officers of the club are: Mary Jane Hebel, president; Avio Zuccarini, vice president; Shirley Bane, secretary; and Walter Robinson, treasurer.

# Press Club Handbook Committee

## Six Speakers Address Club

The Press club, composed of both high-school and junior-college students, heard during the year six guest speakers, interested in some phase of journalism.

Among the speakers were: Dr. Frank A. Jensen, our superintendent; Bernard Griffith, director of public relations of the Illinois Education association; Dr. Roswell Pettit, free lance writer; Glen C. Bardell of the News-Herald; and Mike Bender, Sports editor of the Post-Tribune.

The officers of the club are: Donald Aimone, president; William Ball, vice president; Ruth Hinrichsen, secretary; and Lois Mauritzen, treasurer and social chairman.

## Handbook Aid To Students

The handbook committee, members of the Student Council who had a high scholastic rating and wrote interestingly, have endeavored to help the new students of next year to understand the background, scholastic life, social life, and extra-curricular activities in which La Salle-Peru Township high school students participate.

To do this the "Red and Green" was published by the Student Council under the direction of John W. Graham, of the attendance department, and Miss Celia Hatch, mathematics instructor, with the assistance of Elizabeth White Parks, journalism instructor.

Just as the electricians, producers, directors, makeup man are the people behind the scenes of a good movie production, so were the members of the annual staff and the homeroom captains the people behind the Ell Ess Pe.

Into the Ell Ess Pe, the product of many months, has gone the ideas, hard work, and cooperation of the entire staff. The ability to work harmoniously with others played an important part in the making of the annual and a willingness to acknowledge the work of others helped considerably.

The homeroom captains ably assisted the staff in soliciting subscriptions and collecting annual payments. They worked with a willingness and diligence that was most commendable.

# High Scholarship Legion

## Scholarship is Aim; 29 Recieve Legion Awards

The High Scholarship Legion is an honorary society of the high school, founded to further interest in scholastic achievement.

Gold-plated pins with appropriate designs are awarded to those students who fulfilled the requirements of the Legion. In the regular general assembly, Tuesday, May 3, 29 students who had been on the honor roll for three or more semesters were awarded pins. Also present on the stage were 12 students who had already received their emblems.

## Honor Society Big Attainment

They had to be more than scholars. They had to be leaders in service and leadership. They must show excellent character traits.

The twenty-seven eligible seniors for the National Honor Society were received into that organization before a general assembly on Tuesday, May 17, in an impressive ceremony.

Four heralds in caps and gowns proceeded down the aisles, with wands, tapped the chosen few on the shoulder, and escorted them to the stage to the organ accompaniment of Donald E. Sellew.

Former members of the National Honor Society representing Service, Character, Leadership, and Scholarship welcomed the new members. They had received the highest honor that could come to a senior, for they had shown excellence of achievement in every line of endeavor.

*The Latin Award, given to a senior who has taken four years of Latin and excelled in that subject, was given to Arlene Levan last year. This award is not given every year.*

## 12 Journalists Are Initiated

Quill and Scroll is an international honor Society for high-school journalists. All students admitted into the society must be in the upper-third of their class at the time of their acceptance and must have done outstanding work in journalism.

The fifth annual Quill and Scroll banquet was held this year, when twelve students who had fulfilled the requirements of the society were initiated.

R. C. Moore, editor of the Illinois Teacher, spoke on "Twenty-three Years as an Editor."
